No. F. 2/1/16/2024-25/Fin.(B)/ / 9 4 2 - 206 / FINANCE (BUDGET) DEPARTMENT GOVT. OF N.C.T.OF DELHI

4th Level, A-Wing, Delhi Sectt. I.P. Estate, New Delhi Dated: 12/09/2024.

BUDGET CIRCULAR

Sub: REVISED ESTIMATES 2024-25 & BUDGET ESTIMATES 2025-26.

The Finance Department has initiated the process of preparation of the Revised Estimates (RE) for 2024-25 and Budget Estimates (BE) for 2025-26. All the departments are, therefore, requested to submit the Revised Estimates 2024-25 and Budget Estimates 2025-26 in the prescribed proforma **Statement I to IX** in accordance with the provisions of the General Financial Rules, 2017 and detailed guidelines enclosed. The relevant proforma are available on the website of the Finance Department for download.

- 2. The classification of expenditure from 2017-18 onward is under Revenue and Capital accounts only. Broadly the components of expenditure have been classified in (i) Establishment and other committed Expenditure (ii) Government Schemes/Projects including Autonomous Bodies (iii) Centrally Sponsored Schemes. The departments are required to formulate the estimates under these components in the prescribed format.
- 3. While submitting Revised Estimates for 2024-25 and the Budget Estimates for 2025-26, the department should ensure that the Budget Estimates are submitted in the prescribed format only and additional information in support of the proposals, if any, may be enclosed with the relevant form separately.
- 4. Revised Estimates/Budget Estimates should be **formulated taking a realistic assessment** of the requirement of funds which can be utilized by the department during the financial year. Some of the discrepancies which have continued to occur in framing of Budget Estimates by the departments are given below and it is requested that departments should take utmost care to avoid such recurring discrepancies:-
- I. The primary units of Appropriation or standard Object heads as amended/revised vide Government of India, Ministry of Finance, Department of Expenditure's Notification dated 12th December dated 2022 have come into force from 01.04.2023. The budget provisions in the Detailed Demands for Grants 2024-25 are as per the revised /amended Object class of expenditure. It has been noticed that in large number of cases the departments have not assessed the requirement of funds under new object heads realistically or classification not done under specified object class, resulting in avoidable re-appropriation of funds or opening of new object heads to classify the expenditure. All the departments are requested to ensure that the classification of expenditure as per the revised /amended primary units of Appropriation or standard Object heads to avoid excessive re-appropriation and supplementary grants.
- II. There have been instances when Supplementary Demands for Grants were taken by the Departments to incur expenditure on certain schemes/sub-schemes attracting the provisions of New Service/New Instrument of Service or savings were not available for Re-appropriation within the same section of Demand but actual expenditure incurred was less than the Original Budget Estimates for the financial year. Audit has also pointed out towards unnecessary Supplementary / re-appropriation without realistic assessment of the Budget. The Department will ensure that the entire funds so projected are realistic and will be utilised during the financial year.

- III. Re-appropriation of funds were taken by the Department but were not able to utilise even their original budget estimates. There were also cases where the actual expenditure at the close of financial year was found either in excess or short of budget provision. To avoid such situations, it is for the Departments to have a realistic view of its requirement of funds.
- IV. The wide variations between the Original Budget Estimates and the actual expenditure incurred lead to an obvious conclusion that the departments have not been able to properly anticipate/assess and project a realistic requirement of funds. Unrealistic assessment of funds is not conducive to a proper budgeting system and it invites adverse comments from Audit.
- V. Revised Estimates/Budget Estimates of a department means that it is inclusive of all subordinate offices under their administrative control including the Autonomous Bodies/Grantee Institutions. Respective Head of Department shall obtain and assess the requirement of funds of Subordinate Offices/Grantee Institutions under its administrative control and a consolidated budget proposal for entire Department be submitted to the Finance Department. The Departments while doing internal assessment of Budget requirement of their Department, the Subordinate Offices/Grantee Institutions under their administrative control may be issued clear instructions in this regard. Budget proposals submitted directly by any such Subordinate Offices/Grantee Institutions will not be entertained.
- VI. The figures of budget provisions should be given in thousand of rupees only except where specifically required submitting it in lakh or crore of rupees. Total of Sub-Major Head / Minor-Head/Sub-head of a unit should match with the consolidated summary of Major Head.
- VII. The **proposal for opening of New Head** should contain the details of Major/Sub Major/Minor Heads details alongwith Sub-Head/Detailed Head and Object Head i.e. the Primary Unit of Appropriation of expenditure. The approval of the schemes and other relevant documents should also be enclosed with the proposal.
- VIII. The **Statement No. VI** (A) relates to Non-Tax Revenues of the department but it has been observed that the Departments do not reflect the relevant projections under Major Head wise up to Sub-head of Accounts. It may please be ensured that the information is properly indicated up to Sub-head level. The Tax Revenue receipts proposals would be submitted as per the Statement No. VI(B)
- IX. Proposals for implementation of Centrally Sponsored Schemes are submitted to the Nodal Ministry in Government of India by the departments concerned implementing the scheme. It is for the implementing Department to ensure that necessary budget provisions under the Receipt & Expenditure in corresponding functional head are proposed by them for all such schemes which are to be routed through the Consolidated Fund of State. It has been observed that some of the Department submit proposals for opening of New Heads for implementation of a new Scheme only when the funds have been received from Nodal Ministry in Government of India. For introduction of any New Scheme where provisions of New Services/ New instruments of Services are attracted, approval of the Legislative Assembly by way of Supplementary Demand for Grants is required. Therefore the Department should ensure that Budget provisions are made in their budget provisions to avoid delay in implementation of the scheme.

- 5. Any augmentation under the object head 'Grant-in-aid' through re-appropriation of savings with the same section of grant requires approval of Legislative Assembly through Supplementary Demands for Grants. Cases requiring augmentation of funds, arising out of re-classification of expenditure, from Grant-in-aid General, Grant for creation of Capital assets and Grant-in-aid salaries under the same scheme also requires the approval of Legislative Assembly. A large numbers of Supplementary Demands for Grants are taken to comply with the condition of New Service/New Instrument of Service. It is for the Departments to ensure that realistic assessment of the provisions under each object head is made to avoid unnecessary Supplementary Demand for Grants.
- 6. **Integrated Financial Advisor (IFA)** is posted/attached with all the departments. All budget proposals should be got examined from IFA for correctness of accounting classification before submission to Finance Department. Doubts, if any, may be clarified beforehand in consultation with Finance Budget Division.
- 7. For modification in the **nomenclature of a scheme/programme** in the Detailed Demands for Grants, the Departments may provide a copy of relevant notification/order and other relevant documents for necessary change, if any. In case of State Schemes/Programme/Projects, the relevant documents should also be sent to the Planning Department along with the Budget proposals.
- 8. The name and designation of the **Authorized Officer** who may be contacted for any information/clarification on budget proposals should be intimated alongwith his Mobile/ Landline Number and email address.
- 9. The Revised Estimates 2024-25 and Budget Estimates 2025-26 may please be sent to the Joint Director Finance (Budget) on or before 07.10.2024 positively. A set of budget proposal relating to schemes/programmes/projects may also be sent to the Director (Planning), GNCT of Delhi, Delhi Secretariat, New Delhi.
- 10. The pre-budget/RE meetings will start from the Last week of October 2024 for which the dates and time will be communicated separately.

11. This issues with the approval of the Principal Secretary (Finance).

(D.B. Gupta)
Director (Budget)

Encls:- As above.

No. F. 2/1/16/2024-25/Fin.(B)//942-206/

Dated 12/09/2024.

- 1. All Additional Chief Secretaries/ Principal Secretaries/ Secretaries/ Head of Departments, GNCT of Delhi.
- 2. The Director (Planning) Department, GNCT of Delhi, Delhi Secretariat, New Delhi.

Copy for information to the:-

- 1. The Chief Secretary, GNCT of Delhi, Delhi Secretariat, New Delhi.
- 2. The Secretary to Hon'ble Lt. Governor, GNCT of Delhi, Raj Niwas, Delhi.
- 3. The Secretary to Hon'ble Finance Minister, GNCT of Delhi, Delhi Secretariat, New Delhi.

> IMPORTANT POINTS TO BE KEPT IN MIND AT THE TIME OF FORMULATING EXPENDITURE ESTIMATES.

REVISED ESTIMATES:-

The framing of Revised Estimates for the current year always precedes estimation for the ensuing year. Revised Estimates are required to be framed with great care to include only those items of expenditure which are likely to materialise for payment during the current year, on the basis of the (i) actual expenditure recorded during the current financial year, compared with the actual for corresponding period for the previous financial year, (ii) seasonal character or otherwise of the nature of expenditure, (iii) sanction for expenditure and orders of re-appropriation already issued or contemplated and (iv) any other relevant factor, decision or development, (vi) Cognizance of already allocated additional fund under the object head.

BUDGET ESTIMATES:-

Budget Estimates are prepared containing Revenue and Capital classification of expenditure. Estimation will be based on what is expected to be paid under each sanction, during the ensuing year, including arrears of previous years, if any. Due attention to economy instruction is required to be given while all inescapable and foreseeable expenditure are provided for, care is to be taken that the estimates are not influenced by undue optimism.

TOKEN DEMANDS:

Provision for 'Token' Demand is not to be made in the Budget Estimates for the purpose of seeking approval in principle for big schemes without having the full financial implications worked out and approved by the appropriate authorities.

ESTABLISHMENT CHARGES:-

The estimates of establishment charges are to be framed taking into account the trend over preceding two years and other relevant factors like changes in rates of pay, allowances, number of posts, their filling and the economy instructions issued from time to time.

NEW SCHEMES:-

The provision of funds under the new schemes, which are required to be included for the first time either in the Revised Estimates for 2024-25 or in Budget Estimates 2025-26 may please be got approved from the Competent Authority. This would enable the Finance (Budget) Department to include the provisions there for in the Revised Estimates/Budget Estimates, as the case may be.

PROPOSALS RELATING TO WORKS:-

The proposals relating to works may be formulated in consultation with PWD. PWD will make the required provision in the estimates.

CHARGED EXPENDITURE:

It has been observed in the past that the Departments do not project their requirements in respect of 'Charged Expenditure' likely to arise during the course of the financial year. This places the Finance Department in an embarrassing situation when the Departments come forward for allocation of additional funds under charged heads. It would, therefore, be more appropriate if the requirement for charged expenditure is assessed having regard to the litigation cases going on in the courts and reflected under the appropriate head of accounts accordingly so as to save the administration from an awkward position in the event of non-availability of funds to defray courts decrees. The projections under the charged expenditure should be matched by corresponding savings under the voted portion of expenditure in respect of heads controlled by your Department. There should be no occasion for additional provisions in the estimates of the current financial year.

VACANT POSTS:-

No provision should be made in the establishment budget for post which are lying vacant for over one year or more and likewise no provision should be kept in respect of such posts which have been kept in abeyance or where the continuation of temporary post has not been allowed by the Finance Department. However, the provisions may be kept for such of the captive posts which have been sanctioned and are likely to be filled before the close of the current financial year that too for the period the posts in question are likely to remain filled up so as to avoid chances of eventual saving due to the vacant post not being filled up.

ECONOMY INSTRUCTIONS:

The economy instructions issued from time to time should also be kept in view while framing the budget proposals for Revised Estimates 2024-25 and the Budget Estimates 2025-26.

PROPOSALS OF REVENUE RECEIPTS:

The budget proposals in respect of Revenue Receipts (Non-Tax) would be submitted in statement No.VI (A). It may please be ensured that the information is properly indicated upto Minor Head level. The Tax Revenue receipts proposals would be submitted as per the Statement No. VI (B).

NEW SERVICE/NEW INSTRUMENT OF SERVICE:-

Wherever the proposed estimates attract, the limitation of New Service/New Instrument of Service, the fact is to be specifically highlighted.

VARIATIONS:-

The variation between Budget Estimate 2024-25 and Revised Estimates 2024-25 and Budget Estimate 2025-26 should be explained in detail and supported by adequate data. The reasons for variations should be specific and not general in nature like based on actual, minor variations, based on trends etc.

ABSTRACT NOMINAL ROLLS:-

The abstract of Nominal Rolls (Statement –III & IV) should be prepared Major Head wise as in the Book of Demands for Grants.
